

# BRAVO LITE™

Ultra lightweight bannerstand fitted with high impact graphics

An economical display solution for the budget conscious, however there's no compromise on quality. The high resolution graphic panel is identical to the premium level Bannerbug, only the base unit differs in being both a lighter weight and a more rudimentary shape.

Easy assembly. Simply pull up the panel from its retractable base.

## Panel Size

850mm x 2m tall

Award Winning\* full colour fabric panels. High quality printing that has to be seen to be believed.
